

Hall Committee 2023 Nominations

Dear Hall Member, The Hall Committee is holding elections for new members to join on 1 January 2024 with a three-year term. There are nine places available on the Committee.

The Hall Committee has an important function within the Inn, which is to speak up for the interests of ordinary members, whether in self-employed or employed practice. We meet about five times per year, serving as members of the Inn's four principal Standing Committees, and working directly with the Treasurer, Deputy Treasurer and the Inn's staff. We have a mission to reconnect with groups of members who feel particularly cut off from the life of the Inn and are interested in finding out how we can help the Inn provide services and support for our members.

Please consider putting yourself forward for election, particularly if you have previously benefited from the generosity of the Inn in the form of a scholarship or award. If you are interested in getting involved with your Inn, or think that the Inn has little relevance to your working life and could and should be doing something different, this is your opportunity to become involved. We also encourage members from throughout the UK to put themselves forward.

The timetable for the election will be as follows:

Thursday 12 October 2023	Nominations open
Monday 30 October 2023	Nominations close
Thursday 2 November 2023	Voting opens – Candidate details and voting instructions published on Inn's website
Monday 4 December 2023	<u>Poll closes at 13:00</u> Results announced and confirmed at Hall Committee meeting
Wednesday 6 December 2023	Results published on Inn's website

If you would like to be considered for one of these vacancies, please apply via the online form.

You are required to find a proposer who is a post Call member of Hall (i.e., not a student member or a Bencher). This statement of support must be emailed directly to hallcommittee@middletemple.org.uk by the proposer.

If you are unable to find a proposer, the Hall Committee will assist you with this. Please contact us at hallcommittee@middletemple.org.uk.

To be eligible for election you **must**:

- a. Confirm that you understand and agree to the terms of the election
- b. Provide a personal statement not exceeding 100 words;
- c. Provide an electronic photograph of yourself in jpeg format.
